

Welcome to our website.

The following data protection declaration, which applies to the use of our website and the services offered there, informs you about the collection of personal data during your navigation.

We process personal data about you in compliance with applicable data protection laws and requirements.

Collection of general data and information

Each time you visit our website, a series of general data and information is collected, including that which relates to a person. This data and information is saved in server log files. The browser types and versions used, the operating system used by the access system, the website from which an access system comes to our website (the so-called referrer) can be entered. , the sub-websites accessed by an access system on our website, the date and time of an access to the website, an Internet protocol address (IP address), the Internet service provider of the access system access and other similar data and information intended to prevent risks in the event of attacks on our IT infrastructure.

Personal data

Personal data is any information that relates to an identified or identifiable person. Processing includes any manipulation of personal data, including storage, communication, collection, capture, erasure, recording, modification, destruction and use.

Type, purpose and extent of processing

By using this website, you agree to the processing of your personal data in accordance with this data protection declaration.

Only personal data necessary for the correct presentation of the contents of the website, for the optimization of the contents of the website, for ensuring the sustainable operation of the IT infrastructure and technology of the website as well as for the updating provision of the information necessary for the criminal prosecution authorities in the event of a cyber attack is processed.

Personal data is processed for the period necessary to achieve the aforementioned purposes. Personal data whose processing is no longer necessary are anonymized or deleted.

Data security and accountability

Adequate and appropriate technical and organizational measures are taken to ensure data protection and security. Despite such measures, the processing of personal data on the Internet may result in data protection violations. Therefore, we cannot guarantee absolute data security and assume no liability when using this website (also for linked websites).

Links from other websites

This website may contain links to websites of other providers. Our website has no influence on these websites, their contents, offers or availability, nor on the data protection declarations and provisions applicable to them.

Cookies and other service offerings

Our website may use cookies on its website. Cookies contain a unique identifier that associates websites and servers with a specific Internet browser. Any Internet browser can be recognized and identified using this unique identifier.

Such information about the use of this website (including your IP address) may, for example with the use of Google Analytics, be transmitted to servers abroad and stored there. By continuing to browse our website, you declare that you accept the transfer of this data.

Our website may use other service offerings from third-party providers (also abroad) to integrate their content and services, such as videos or contributions, into our website. For such integration, these third-party providers must be able to collect the IP address and other information of people who visit this website. By continuing to browse our website, you declare that you accept the above.

When we use third parties, we guarantee legally compliant data protection.

Means of communication

The website contains certain information enabling quick electronic contact and immediate communication, which also includes a general e-mail address. If you contact us via the Data Protection Declaration communication channels offered on our website, your contact details and content will only be used to process and respond to your request.

Important note: confidentiality cannot be guaranteed when transmitting your data, so no confidential data (personal or medical questions, etc.) should be communicated when making contact.

Your rights

Data protection law grants you various rights, such as the right to access, rectify, erase or block processed personal data. Please contact your psychology office to assert your rights. We remain happy to remain at your disposal for any further information on this subject.

Changes

Our website may modify this data protection declaration at any time and without notice. Where the data protection declaration forms an integral part of a contract which you have concluded with us, we will inform you, by e-mail or by other appropriate means, of the modification made in the event of an update.
